No. M 224

28 - 1954 DEPARTMENT

Legislative Assembly Question No.47 by Sri.U.M.Madappa - Declaring a holiday for the Railway Workshop at Mysore on the day of Municipal Elections.

.....

I believe that most of the workers in the Railway Workshop were entitled to vote at the recent elections to the Mysore City Municipal Council. As no holiday was declared for the workshop, many of the employees could not exercise their franchise. In future, when such elections are held at places where institutions under the control of the Government of India are located, timely action may be taken by the concerned authority to move the authorities of the Government of India to declare a holiday for the institutions to enable the employees to participate in the elections.

Sir,

With reference to your letter No I 4533 dated 8th February 1954, I write to state that before the Municipal Elections the fact that it had been fixed for 7-12-1953 was brought to the notice of the Railway authorities Both the Regional Officer, Southern Railways, Mysore and the General Manager, Southern Railways, Madras, were apprised of this and they were requested either to declare that day as a holiday or at least give them a recess so that they might be enabled to exercise their franchise Copies of the letters addressed to those officers are enclosed It may kindly be seen that the Regional Officer, Mysore had also addressed the General Manager, Madras seeking instructions in the matter But as no instructions seemed to have been received, no holiday was declared for the railway workers

Yours faithfully,

Municipal Commissioner

Municipal Elections

The local municipal Elections in Mysore city will be held on 7-12-1953 Formerly when the Railways were being controlled by the Mysore Government, the Railway workers used to be given a recess of two hours in the afternoon to enable them to cast their votes As this is the first time that in Mysord city the elections to the City Municipal Council are being held on the basis of adult franchise, I request you kindly to let me know whether as in previous years you could give them less lesiure for about two hours in the afternoon as in the past
